

Primary PE & Sport funding

At Hartford Manor CP Primary School we are utilising the new Primary PE & Sport funding to improve the quality and breadth of our PE & Sport provision through continually developing teaching and learning in PE, encouraging our pupils to adopt healthy active lifestyles and to take part in a wide range of sports and physical activities including more competitive school sport.

Aim	How we will meet this aim
Ensure our teachers have quality training specific to their age phase which develops exciting and inclusive teaching and learning in PE	Miss Wakefield, Mrs Bentley and Mrs Dutoy will have attended KS2 Training and Mr Rose KS1 training (Matalan TOP Sport) by the end of Autumn 2016. This will mean at least one member of staff per year group has had training.
Provide different ways for all children to be active in PE but also through physical activities outside of the curriculum	In March Jess Taylor a GB Heptathlete came to school and all children from Reception to Year 6 took part in fitness circuits and an assembly. We ensure every child has the opportunity to get involved in extra-curricular activity whether at lunchtimes, playtimes or in after-school activities. We provide a variety of clubs each term that children may or may not have to pay for. This Year we provided clubs that had not been available before: Golf, Dance for KS1, Hula Hooping and Tennis. We paid for 2 Sports Ambassadors to attend Northwich Primary performance Academy during half term. School uses 5-a-day fitness both in school and promoting its use at home to provide children with a fun way to be active. All children were given a C4L booklet to take home over the summer holidays. Run2Rio was set up in anticipation of the 2016 Olympics.
Develop Sports Leaders to work to make lunchtimes more active and encourage more children to participate 	All Year 6 children have had Play Leader training using Phys' Kids from our PE & School Sport Co-ordinator Mr Marklove based at Hartford C of E High School. Mrs Barrow, Mrs Barker and Mrs Thomas attended Midday training to support the Year 6 leaders at lunchtimes. Daisy Dean, Tess Jackson, Ben Adams and Jack Calloway our School Sports Ambassadors took part in Change for Life training, they introduced an after school activity in the Spring and Summer terms.
Only work with coaches who are appropriately qualified and checked	We have sourced coaches from our School Partnership with the correct level of training in the sport offered, as well as further training on safeguarding and protecting children, Emergency 1 st Aid and who are fully insured to work with our children. We have selected coaches who provide support both in lessons and after school clubs. These have included football, dance, cricket, golf, judo, fencing and tennis. Northwich Rugby Club, Hartford Tennis Club and a cricket coach through the Chance to Shine program have all been in this academic year. For the past 3 years Year 6 have had Personal Safety Training provided by the team that our Judo and Fencing clubs are sourced through.
Make sure our PE Subject Leader has appropriate assistance to develop our PE & School Sport offer and support our teachers effectively	Mrs Meyer the PE & School Sport Subject Leader continues to attend regular leadership training and receives focused support from Vale Royal School Sport Partnership & Youth Sport Trust trainers. New provision maps have been written this year for KS1 and KS2.
Review our provision to make sure the funding is spent to bring about maximise the development of PE & Sport	Hartford Manor has planned our provision in line with the accepted best practices, which will include applying for the Sainsbury's School Games Kite Mark for participation in competitive school sport. In 2014-2015 we received the Silver Award. In 2015 - 16 participation in after school activities has increased by 13%. We have invested in new equipment and planning tools.
Take part in a wide variety of competitive sports both within school and against other schools  	By planning a range of internal competitions (level 1) which can be accessed by all groups in school, selecting pupils and teams to take part in local competitions against other schools (both within the local cluster and across the Vale Royal School Sport Partnership at Level 2) and aspiring to reach Cheshire & Warrington county finals (level 3), we aim to be fully involved in the Sainsbury's School Games and other schools' competitions. In Summer 2015 the cricket team did reach the level 3 games. In 2015 – 16 we entered: cricket, football, boccia, Quadkids, rounders, High 5, tag rugby, Indoor athletics, tennis, Northwich swimming gala, basketball and a duathlon competition. We were runners up in several of these.
