

## Primary PE & Sport funding 2016-17

At Hartford Manor Primary School we are utilising the Primary PE & Sport funding to improve the quality and breadth of our PE & Sport provision through continually developing teaching and learning in PE, encouraging our pupils to adopt healthy active lifestyles and to take part in a wide range of sports and physical activities including more competitive school sport.

|                                    |       |
|------------------------------------|-------|
| Number of pupils on role           | 351   |
| Pupils eligible for funding Yr1-6  | 293   |
| Lump sum received                  | £8000 |
| Additional funding at £5 per pupil | £1465 |
| PE and Sport Premium total         | £9465 |

| Aim   | How we will meet this aim  | Impact  |
|---|--|---|
| Ensure our teachers have quality training specific to their age phase which develops exciting and inclusive teaching and learning in PE   | This year we have had Cheshire FA in and Chance to Shine Cricket who have coached classes in both key stages and therefore have given teachers new and different ideas. Teachers in KS1 and KS2 attended training.   | Teachers feel more confident delivering curriculum aims.  |
| Provide different ways for all children to be active in PE but also through physical activities outside of the curriculum   | We ensure every child has the opportunity to get involved in extra-curricular activity whether at lunchtimes, playtimes or in after-school activities. We provide a variety of clubs each term that children may or may not have to pay for. This Year we provided clubs that had not been available before: Badminton, Gymnastics and Skipping. The Dance class performed at the summer fair. We paid for 2 competent Year 6 children to attend Northwich Primary Performance Academy during two half terms. Several children had the opportunity to attend the Indoor Cycling Competition then another group ran part of the route for the Pro Series Tour through Northwich Town centre.<br>School uses 5-a-day fitness both in school and promoting its use at home to provide children with a fun way to be active. All children were given a C4L booklet to take home over the summer holidays. In Year 4 and 5, the children get the opportunity to take part in Outdoor Adventurous activities on their residential visits. The Trim trail has been extended this year and there are new playground markings that encourage physical activity. | We have increased the number of children attending after school activities from 47% in 2015-16 to 56% in 2016-17.<br><br>More children have had the opportunity to attend different sporting events.<br><br>More able children attended a performance academy.<br><br>Teachers use 5-a-day online dance routines to break up longer sessions in the school day. We hope the children enjoy the dancing and feel energised to go back to their learning for the rest of the session. |
| Develop Sports Leaders to work to make lunchtimes more active and encourage more children to participate<br><br> | All Year 6 children have had Play Leader training using Phys' Kids from our PE & School Sport Co-ordinator, Mr Marklove, based at Hartford C of E High School. Jonah Hayes, Fearne Bishop, Zoe Nevett and Jack Rogers our School Sports Ambassadors took part in Change for Life training, they introduced an after school activity in the Spring term and also led 2 assemblies to discuss Health and Safety in PE. We also introduced a School Sport Organising Crew this year consisting  | Specific children in Yr3 / 4 who have not been active are invited to attend an after school club to engage them in a range of sports.<br><br>Children from previous years are now attending after school activities because they want to be active and part of  |

|   | <p>of six Year 5 children who were in charge of new playground arrangements with regards to equipment and bags and again helped to lead an assembly in this. The SSOC also organised an inter house cricket tournament in Year 4.</p>  | <p>a team.<br/>More children are active at morning break.</p>   |
| <p>Only work with coaches who are appropriately qualified and checked</p>   | <p>We have sourced coaches from our School Partnership with the correct level of training in the sport offered, as well as further training on safeguarding and protecting children, Emergency 1<sup>st</sup> Aid and are fully insured to work with our children.</p> <p>We have utilised external sports coaches to offer extra opportunities beyond the knowledge of teaching staff. They have provided support both in lessons and after school clubs. These have included football, dance, gymnastics, cricket, judo, fencing and tennis and High 5. Cheshire FA, Hartford Tennis Club and a cricket coach through the Chance to Shine program have all been in this academic year. We have also employed a coach from YouthKicks who has taken football training all year and a Level 4 qualified Gymnastics Coach from Inspired Gym.</p> <p>For the past 4 years, Year 6 have had Personal Safety Training provided by the team that our Judo and Fencing clubs are sourced through and this year both Year 4 classes also took part during Anti-Bullying Week.</p> | <p>Our school football team came second in a local league and we were promoted to the next division.</p> <p>Children who attended the Gymnastics class achieved British Gymnastics proficiency awards at level 8 in the first term and some children went on to receive their level 7 as well.</p> <p>In Judo and Fencing children who return each year are progressing through the levels.</p> <p>Children who have attended after school activities are joining these clubs in the community.</p> |
| <p>Make sure our PE Subject Leader has appropriate assistance to develop our PE &amp; School Sport offer and support our teachers effectively</p> | <p>Mrs Meyer the PE &amp; School Sport Subject Leader continues to attend regular leadership training and receives focused support from Vale Royal School Sport Partnership &amp; Youth Sport Trust trainers. New provision maps are now being implemented in KS1 with teachers following elements of the New Zealand Scheme so that all children can master the basic movements.</p>  | <p>Mrs Meyer has led staff meetings to demonstrate new equipment and update staff on new developments.</p>  |
| <p>Review our provision to make sure the funding is spent to bring about maximise the development of PE &amp; Sport</p>                           | <p>Hartford Manor has planned our provision in line with the accepted best practices, which will include applying for the Sainsbury's School Games Kite Mark for participation in competitive school sport. In 2014-2015 we received the Silver Award. In 2015 -16 participation in after school activities increased by 13%. We have invested in new equipment specifically to engage the children at break times.</p>  | <p>We have achieved the gold Sports Mark for 2016-17</p>  |

Take part in a wide variety of competitive sports both within school and against other schools

By planning a range of internal competitions (level 1) which can be accessed by all groups in school, selecting pupils and teams to take part in local competitions against other schools (both within the local cluster and across the Vale Royal School Sport Partnership at Level 2) and aspiring to reach Cheshire & Warrington county finals (level 3), we aim to be fully involved in the Sainsbury's School Games and other schools' competitions. In 2016 - 17 we entered: cricket, football, boccia, Quadkids, orienteering, High 5, Indoor athletics, tennis, Northwich swimming gala, basketball and a new football league. We were runners up in several of these.

Due to the variety of sports competitions we enter children from all KS2 and all abilities have the opportunity to be involved.

For several years we have entered a team into the School Pan Disability Boccia competition.
