

Primary PE & Sport funding 2017-18

At Hartford Manor Primary School we are utilising the Primary PE & Sport funding to improve the quality and breadth of our PE & Sport provision through continually developing teaching and learning in PE, encouraging our pupils to adopt healthy active lifestyles and to take part in a wide range of sports and physical activities including more competitive school sport.

Number of pupils on role	363
Pupils eligible for funding Yr1-6	297
Lump sum received	£16000
Additional funding at £10 per pupil	£2970
PE and Sport Premium total	£18,970

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity. All children aged 5-18 should engage in at least 1 hour of physical activity a day, of which 30 mins should be at school
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. A broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
