“Learning Together for Life”

Dear Parents and Carers,

I would like to start this week's newsletter by expressing our thanks to the Friends of Hartford Manor (FOHM) for their incredible support and dedication. This fantastic group of parents works tirelessly to raise funds for the school through events such as the summer fair, themed discos, and sponsored activities. They also play a vital role in supporting our community, providing refreshments at events like school open days.

Over the past decade, the funds raised by FOHM have made a huge difference to our school. Thanks to their efforts, we've been able to enhance our school grounds with an outdoor gym, upgrade our hall with stage lighting and a sound system, and purchase books for our celebration assemblies. These contributions enrich our children's learning experience and create a vibrant school community.

If you're a parent or carer looking for a rewarding way to get involved, FOHM is always welcoming new members. Joining is a great way to meet other parents, make a positive impact, and have fun along the way.

To find out more or express your interest, please email contactfohm@gmail.com

Thank you, FOHM, for everything you do!

<u>Magic 123 Parenting Course</u>	<p>123 Magic is a two-part course offered to parents/carers who would like effective strategies for supporting behaviour at home.</p> <p>A number of our families have already taken part in the programme over the past five years and we have had some great feedback from those who have started to use the 123 Magic strategies.</p> <p>Face to face course:</p> <p>Friday 7th February 9:30am- 11:30am Friday 28th February 9:30am- 11:30am</p> <p>The course is based on this book- so it is helpful to have your own copy or borrow it from the library. Magic 123 Book</p> <p>To book your place or ask for any further information- please contact Mrs Ghagan, hghagan@hartfordmanor.cheshire.sch.uk</p>
<u>Science Fair Hartford High School</u>	We have been invited to take part in a science fair at Hartford High School on the 11 th March. Children who would like to take part need to design a science project relating to 'Change and Adapt'. Entries can be on their own or in a

group. Children plan and complete their project at home. Mrs Benson will accompany any children who enter to Hartford High School on 11th March 2025.

Storm Eowyn

As Storm Eowyn continues to bring challenging weather conditions, we've been carefully monitoring the school grounds to ensure the safety of our children, staff and visitors. This morning, we identified one of the trees near the school entrance as vulnerable due to high winds and potential instability.

We acted swiftly and called out our ground's maintenance contractor. The tree was safely removed at midday today. We'd like to thank the team for their prompt response and professionalism.
